New Children's Worship!! You may have noticed changes happening with our children's times during worship, we are excited to launch our new Children's Worship Time. Rather than have a short children's time during worship, our children will instead process out to a longer dedicated worship time during the sermon. Children will enjoy a more thorough story and lesson, as well as an additional activity during this time. Children will return to worship and their families during the music following the sermon. This special time for worship is geared for children through grade 1.

Conversations with Pastor Pam—I plan to spend the months of July and August intentionally connecting with all of you by visiting with you in your home or a location of your choice. This time together will give us the opportunity to catch up with each other. I'm eager to hear about what's going on in your life, what gives you joy, and what worries you. I look forward to joining in prayer with and for you.

Please check out the schedule at the Welcome Center and sign up for a day and time that will work for you. I can visit with you individually or with your whole family. I anticipate these visits lasting no more than an hour. I look forward to connecting with you!
