Christmas Workshop—Simple Ways to Celebrate the True Meaning of Christmas with Your Family

Join Sylvia Saenger for this free, one-hour online workshop on November 14 at 12:00 noon. How can we rise above the noise of what our culture dictates Christmas should be and return to the simplicity of what God intended? In this online workshop, you will map out your family's Christmas with intent -- giving you a guide to celebrate Christmas in a simple yet meaningful way.

We will take these three steps:

1. Hone in on a few activities that are the most meaningful to your family.
2. Simplify while adding extra meaning to the activities.
3. Create a realistic plan with intentionality and purpose.

As a result, you will find it easier to eliminate the things that cause stress and focus your Christmas season on the good stuff -- giving your family celebrations more authenticity -- and precious memories reflecting the true meaning of Christmas. Make sure you sign up and get your free printables so you can follow along with us! If you are unable to attend, the workshop will be recorded. However, you must register to gain access. Register with the link in 11/9's ENews or contact Sylvia at sylvia@thekeds.org

St. Philip's Purpose Statement—We Share the Love of Christ!

A St. Philip Church Prayer: Gracious God, As the family of St. Philip we ask that you open our ears to hear God's call for us and guide our feet in following. Help us to be good stewards of our time and treasure and to put our trust in you to provide. We ask for blessings on the life of our future pastor and that your Spirit guide us in preparing for this new relationship in ministry. We put our hope in you. In Jesus' name we pray. Amen.
