ST. PHILIP LUTHERAN CHURCH

OCTOBER 2021

## Pastor's Message

October is a big month for us here at St. Philip. First off, we will be seeking nominations for new Church Council members. Our President Mike Davis and Vice-President Dawn Kanupp have served us faithfully and will be stepping down at the end of the year. Mark Andrews, Wayland Smedley, Kathy Blum, & Kelsey Weinzapfel also have terms that are expiring. We thank them all for their commitment and service. They have helped guide us during a tumultuous time in our congregation and world (due primarily to the Covid-19 pandemic). They are to be thanked and celebrated.

We are seeking nominations to replace these people. The deadline for nominees is Sun., Oct. 17. Please give some thought and prayer to whom you might like to see serve in this capacity of leadership – whether yourself or someone else. We will then vote on our slate of nominees two weeks later, on Sun., Oct. 31. We are very excited to see whom God would have lead us on Church Council during the new year.

Secondly, October is always Stewardship Month for us here at St. Philip. It is the month when we prayerfully reflect on how good God has been to us this past year, both individually and collectively. Our God is a God of bounty and abundance, and He has blessed us richly in 2021. This year has been the best year for us financially in many years. And it happened during a time when – due to the challenges of the pandemic, particularly as they effected worship – things could very easily have taken a downturn.

We have had several repeat visitors since we reopened in-person worship in June, and many of them may become members once we offer our New

Member Class (currently in the works). Much of our in-person ministry is resuming, including Bible Study, the Choir & Handbell Choir, and Brown Bag Ministry. Our on-line presence is significant and growing, in terms of worship, Bible Study, and committee meetings.

We have navigated the transition to an online presence, if not seamlessly, extremely well – given the expertise and commitment of many of our members and helpful additions to our technological capacities.

We have gotten a new roof, a resealed parking lot, a new altar in Kepley Hall, and renovations in that same space. We are soon to acquire a new pulpit in Kepley Hall and likely new kneeling cushions for the altar rail in our sanctuary. Most of all, people are coming to Christ and growing in their faith and wisdom here in this place. There is a spirit of generosity and a sizable momentum taking place.

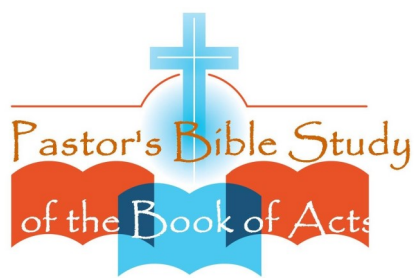

We are called to respond in only two ways: thanksgiving/gratitude and commitment. So, this month, we are thankful and grateful. And we recommit ourselves. We will have three weeks' worth of Temple Talks/personal testimonies by individuals reflecting on the ways God has blessed them – which will inspire and motivate us. And then we will celebrate together the goodness of God on "Celebration Sunday," Oct. 24, at our 9am and 11am worship services. At this time, we will be asking you to submit your financial pledge cards, so we may begin to faithfully prepare for a new year here at St. Philip. I have every reason to believe we will capitalize on our recent momentum.

Will you join me in giving thanks and praise to God for a PHENOMENAL and unanticipated year of ministry -- and increasing your offering above last year's? I know I am most excited to do so.

Finally, we rejoice in the Confirmation of several of our youth: Ashlyn Adams, Emma Faircloth, Avery Grantham, Nyah Schroeder, and Kelsey Weinzapfel will be affirming for themselves the faith and promises made by their parents at their baptisms as infants. What a privilege it is to behold our young people embracing the Christian faith we all hold so dear and central to our lives. These youths will also become full members of our congregation, with all the rights and privileges therein. They will be confirmed on Reformation Sunday, Oct. 31, at the 9am and 11am worship services. The color for the day will be red, as red is the color of fire, a biblical symbol of the Holy Spirit. And, as we celebrate the Protestant Reformation and the Confirmation of our young people, the Holy Spirit will be front and center that day.

Yours in Christ,  
Pastor Tim

# Message from Congregation Council

St. Philip Congregation,

I hope everyone is enjoying the beginning of fall. I love the weather changing, the leaves brightening up our precious Carolina with gorgeous colors, and the beginning of a new school year for our nation's future.

I have a few important messages for you this month.

## Message #1 – Service

We've navigated the last 18 months quite successfully and have learned various lessons about ourselves, our community, our country, and the world. While none of us agree on everything, one thing we should easily agree on is serving GOD through action. There are many ways to serve HIM and I know all of us do certain things in HIS name. Let's do more of it!

It is easy to get into a routine, especially juggling various priorities and managing our and our family's calendars.

I am calling on all members of St. Philip to do more to serve our GOD and his children. It is very clear that we all can get out of the house and be social in a safe and responsible way. Why not do so by serving the Lord? What can you get involved in, either at St. Philip or in your community in other ways? How can we help power current outreach and/or create additional ministries?

It is time for us to re-emerge and begin participating again in all the things that make St. Philip a powerfully positive force for Christ in our community.

## Message #2 – 2022 Budget

Our 2022 budget is beginning to take shape and St. Philip has been blessed beyond imagination. I actually wouldn't have been able to predict our current situation 18 months ago. St. Philip has been blessed by our members generosity AND the generosity of many who've likely never stepped foot on our soil. This is a true testament to both Pastor Tim and the St. Philip community who've remained committed to this church's success. As such, I am calling on all ministry leaders to submit aggressive budgets to Jim Beck, our finance chair and Liese Faircloth, our Treasurer and Council Member. When thinking about your ministry's or committee's needs, please think big and ensure you include your 'needs' but also prioritize your "wants" as they may become a reality in next year's budget.

Important Note: Please rank order your 'wants' as the budget may be able to accommodate some but not all of them. If we all re-emerge and participate again, there should be plenty of help and support.

Additionally, please WELCOME people to help and support. The worst thing that can happen is for someone to hear "we don't do it that way" or "no, we need to this/that/the other" as it only disenfranchises people from helping and supporting the committee/ministry/church. Thank you to all our leaders and our Pastor for continuing to display genuine inclusion of ideas, even when they differ from your own.

## Message #3 – Upcoming Congregational Meeting

We will have a Congregation Meeting on October 17, 2021 for the purpose of accepting nominations for the Congregation Council Class of 2022–2024. Folks, this is critical for the current and future business of the church. I've enjoyed participating in and watching our Council evolve over the last three years and we are currently filled with people who love the church. We need more people who feel called to leverage their skills to help steer the church through its current resurgence.

If you are interested in serving in this way, please contact me or any current Council Member. If you know someone you think would be a good nomination, please nominate them on October 17.

If anyone has questions about the process of serving on Council, Mike Davis and Pastor Tim are happy to speak with anyone about this important topic.

The October 17 meeting to nominate members will be held in person and you may also join virtually. Please watch announcements carefully for upcoming information about the meeting.

Additionally, I reiterate strong pride in our Council and its governance. We've had such outstanding conversation and debate over these last few years and there appears to be no sign of it slowing. Please consider joining Council as your voice will be heard and you'll make a strong impact on the future of our church.

Lastly, we look forward to removing the current mask protocol as soon as Council feels it is appropriate. We'll always focus first on the health and safety of our congregants and the community.

Yours in Christ,

Mike Davis

St. Philip Council President

for 48 years of service to the Raleigh area.  
Thank you for your protection and  
for being First Responders for us all.

Lord, every day first responders have to make difficult and complicated decisions. Help them to choose wisely and well in every situation. Give them clarity and help them to stay calm and collected in the most tense moments they face. Help them call out to You whenever they don't know what to do. May they always remain safe and keep their eyes fixed upon You.

**Save the Date! November 6th 9-4:00** For the Fall Festival, invite friends and family to come and shop at the many vendors' tables as well as visiting the book table. Lots to do as we celebrate our thankfulness for abundance and community!

We hope to make this be a community event and an opportunity for the folks of **St. Philip to share the love of Christ as hosts, so it is all hands on deck!** There are several areas we need your help with, such as baked goods, gently used books, arts & crafts—(*do you have a craft you enjoy and would like to share with others?*), games and many more jobs to help with!

We will need baked goods for the table. Homemade bread, cakes, cupcakes, pies, cookies apricot squares to name a few. People must label items if have nuts, wheat or dairy to be aware of any sensitivity others may have.

## Stewardship Message

This year the Stewardship Committee's theme is **Open Hearts, Helping Hands**, expanding on St. Philip's mission statement – **Sharing the Love of Christ**.

We are focusing on how God has enriched our lives, opened our hearts and made our faith stronger. With a desire to bring attention to your generosity in supporting our annual ministry plan and at the same time enhancing each of our own individual giving plans.

The Stewardship Committee has made a commitment to lift up to the congregation the value of time, talent, and resources to connect with others.

We will kick off the stewardship campaign on Sunday, 10/3 at both services. *Celebration Sunday* will be on 10/24/21 again at both services giving thanks for the pledges submitted and the many blessings received by St. Philip. Estimate of Giving Cards for the coming year, 2022, will be sent out in early October.

Thank you to all those who have found a way to continue giving to St. Philip since the Covid-19 crisis began. Your generosity is greatly appreciated and goes a long way toward alleviating some of the financial constraints some churches are now facing.

We know you do not need us to remind you that the ongoing ministry of St. Philip depends to a great extent on regular financial support. We appreciate the many ways you have continued to enable that ministry and pray for you to receive the strength you need to navigate through these difficult and sometimes scary times.

Your generosity and commitment to Christ's work at St. Philip is sincerely appreciated and essential to carrying out our mission to **Share the Love of Christ**.

Thank you for your continued support of St. Philip.

## Message from the Finance Committee

Dear Brothers and Sisters in Christ,

After our income being under budget in both May and June, we had very strong financial results in July and August. Total income in each of the last two months was the highest for July and August for at least the last five years. Our congregation responded once again, as led by the Holy Spirit!

For August, total income was \$56,304, or \$11,659 over plan, while expenses were \$34,275, or \$7,384 better than plan. In addition, we had a substantial one-time other income item not included in those numbers. The SBA PPP loan in the amount of \$71,882 was formally forgiven under the terms of the special pandemic loan program. The forgiven loan amount is now shown as income on our books. It did not result in any new cash for the church at this time since we received the cash in 2020 when we got the loan.

Year-to-date through the first eight months, our income was \$416,797, or \$57,068 above plan. Expenses totaled \$317,996 and were \$50,302 under plan. For the year, income exceeded expenses by \$98,802. When the income from the loan forgiveness noted above is considered, income has exceeded expenses by \$170,684.

The Lord has blessed us mightily at St. Philip! The generosity of God's children in our midst is at the forefront of those blessings!

Blessings,

Jim Beck  
Finance Chair

## Our Impact

As you might imagine, we have been busy at Families Together pushing ahead on several fronts to assist local families facing the compounded challenges of being homeless in a pandemic. In the program year ending June 30th, Families Together with your generous support:

Served 478 children and 239 adults for a total of 717 individuals in 196 families.

Of that number, we helped 88 families obtain permanent housing and provided short-term housing for 23 families.

Since launching our Affordable Housing initiative in 2019, we have built a portfolio of 21 units that are owned and/or managed by FT which includes our recently purchased Duplex and Triplex off of Athens Drive.

## Cottage Court Development

We continue to move forward with plans to build cottage court homes on land adjacent to the duplex purchased by Families Together in east Raleigh in 2020. A cottage court is a group of small houses that face inward on a common open green space making it ideal for families with children. Our next step is to hold a series of stakeholder planning sessions with clients/former clients, developers, architects, staff, board, and other stakeholders to create a shared community vision for the cottage court development. With this input and the guidance of our development team, we will create a blueprint, site plan, and architectural design for a replicable cottage court model.

St. Philip gives baby diapers every month through our partnership with The Diaper Bank. Contact Stacey Bell for information on how you can contribute. [Raleighbells@yahoo.com](mailto:Raleighbells@yahoo.com)

## Van Needed

We have a family in urgent need of transportation help. The family receives disability assistance and has been approved for a wheelchair-accessible apartment unit with FT's assistance. But members of the family have multiple medical conditions that require multiple weekly doctor visits. We are looking for someone to donate or sell a reasonably priced van to help this family take care of their health and maintain stable housing. We know this is a big ask but it would make a positive, life-changing difference. If you have a van, preferably to donate, or know someone who might, please contact [Martinique@famieliestogethernc.org](mailto:Martinique@famieliestogethernc.org).

## Thanksgiving Food Drive

At Families Together, we understand the importance of family ties and how they affect individuals. When families experience homelessness and other crises, they are less likely to be able to observe and celebrate holidays. Your support is needed to help alleviate some of the pressure by providing Thanksgiving meals for families in the community. Please reach out to Martinique at [martinique@famieliestogethernc.org](mailto:martinique@famieliestogethernc.org) if you would like more information.

## Holiday Smiles

The families we serve are working hard to leave homelessness behind and find stable housing. When they don't have to worry about Christmas gifts for their children, they're able to focus more on meeting their budget goals as well as have a more peaceful season during what can be a difficult time. If you are interested in sponsoring a child or a family for the holiday season, please contact Martinique at [martinique@famieliestogethernc.org](mailto:martinique@famieliestogethernc.org).

## Volunteer Opportunities

With the addition of our two latest property acquisitions, we are in need of volunteers to assist with the renovation of both buildings. If you have experience in carpentry, plumbing, or painting, or just want to volunteer with this effort, please reach out [martinique@famieliestogethernc.org](mailto:martinique@famieliestogethernc.org).
