ST. PHILIP LUTHERAN CHURCH

NOVEMBER 2022

## Pastor's Message

### Happy month of Thanksgiving!

We are thankful here at St. Philip for our soon-to-be new members! We have another New Member Class upcoming on Saturday, Nov. 12, from 10am until noon in our Music Room. We will have refreshments prepared by some of our members, introduce ourselves to one another, have a tour of our facilities, and discuss mission and ministry opportunities offered here at St. Philip. We think we might have as many as 11 people interested in joining our faith community, and we are most eager to welcome them. Even if someone is a visitor but unsure at this point about joining – but just wants to learn more about our ministry – we welcome them, too. There is certainly no pressure to join if you are not quite ready to commit at this point. To register for this class, please use the link in the worship bulletin or this newsletter, or call or email our church secretary, Jane Gue. We will receive our new members in worship on Sunday, November 20, at both worship services.

We are thankful here at St. Philip for our Pub Ministry's recent campaign to assist the North Raleigh Ministry's (NRM) Food Bank. There is still one more Sunday to contribute as of the writing of this article, but so far, we have raised over \$5,000 and collected many non-perishable food items! We have more than doubled what I personally anticipated we might raise. That is due to your generosity, participation, and the leadership of Dave Wahlstrom. I can't wait to see what the Pub Ministry's next project will be.

We are thankful here at St. Philip for you! We are thankful for your worship attendance and participation, for your Sunday School and Bible Study participation, for your singing in the choir and/or playing in the praise band. We are thankful for your assistance in worship, in all kinds of ways, for your giving of your financial resources, and your helping with the upkeep of our property. We are thankful for your making quilts, Brown Bag lunches, and for your fellowship at our various lunch and dinner groups. We are thankful for your service on our Columbarium committee and every other committee our church has. We are thankful for your kind disposition, your warm smile, and your encouraging words. We are thankful for your service on Church Council. We praise God, quite simply, for your discipleship: for your loving God with all your heart, soul, mind, and strength and loving your neighbor as yourself. We thank you, my friends, for "sharing the love of Christ!"

Yours in Christ with much appreciation,  
Pastor Tim

## Food Drive for North Raleigh Ministries

"All God's children got a place in the choir...  
Some sing low...some sing higher"

Excuse us if we take a liberty with that song. The St. Philip children of God have found their place in His choir whether it was praying, donating food, donating money, donating time, etc.

The Men's Pub Ministry humbly thanks you, and blesses you for the place you found in God's choir. The song you sang went a long way towards supporting our neighbors here in North Raleigh.

What a fun month we had in October, a trip to the NC Farmers Market for apples and pumpkins, Donuts with our Dads, an Usborne Book Fair and Fall parties where we dressed up in our favorite costumes!

In November, all the classes talk about being thankful for our many blessings as well as America's first Thanksgiving. The Preschool celebrates Thanksgiving with a feast and the children dress up as either Pilgrims or American Indians as we re-enact the first Thanksgiving with our friends!

St. Philip Preschool is very thankful for the congregation who have opened their hearts to these precious little children! May you all have a blessed Thanksgiving with your family and friends!

Please visit [st-philip.org/preschool](http://st-philip.org/preschool) for more information about the program and the registration form.

## Adult Book Club

Everyone is welcome!

Our next meeting will be on November 29<sup>th</sup>, at 10:00 in the Parlor— moving to the 5<sup>th</sup> Tuesday as the week before will be busy with Thanksgiving! We will be discussing Remarkably Bright Creatures by Shelby Van Pelt. After Tova Sullivan's husband died, she began working the night shift at the Sowell Bay Aquarium, mopping floors and tidying up. Keeping busy has always helped her cope, which she's been doing since her eighteen-year-old son, Erik, mysteriously vanished on a boat in Puget Sound over thirty years ago.

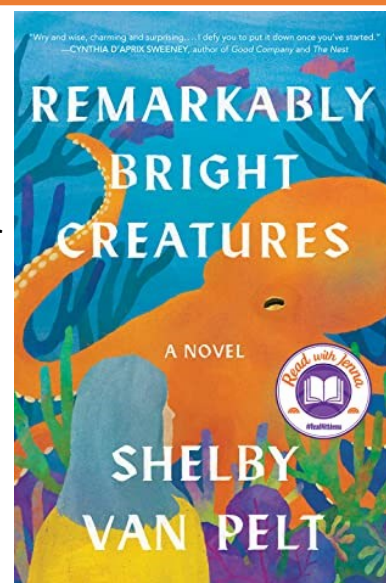

Tova becomes acquainted with curmudgeonly Marcellus, a giant Pacific octopus living at the aquarium. Marcellus knows more than anyone can imagine but wouldn't dream of lifting one of his eight arms for his human captors—until he forms a remarkable friendship with Tova.

Ever the detective, Marcellus deduces what happened the night Tova's son disappeared. And now Marcellus must use every trick his old invertebrate body can muster to unearth the truth for her before it's too late.

Shelby Van Pelt's debut novel is a gentle reminder that sometimes taking a hard look at the past can help uncover a future that once felt impossible.

The book is available on Amazon or in the Wake County Public Library.

We hope to see you there, in the Parlor on November 29<sup>th</sup> at 10:00!

## Outreach Highlight:

### North Raleigh Ministries (NRM)

This past month our Pub Ministry hosted a food-drive to help support the foodbank at NRM that was very generously supported by the congregation, but did you know that NRM has more than a foodbank?

Founded by five (5) local congregations in 2004, NRM now serves thousands of people in our community each year. They have 2 thrift shoppes, a large food pantry, and well-designed programs to help people move from crisis to stability. North Raleigh Ministries believes that God desires for everyone to thrive and they live this out with their model of helping people that takes the whole person, their individual situation, and their needs into account.

#### Thrift Shoppes

NRM has two Thrift Shoppes where you can shop or drop off items that you don't need or want anymore. One store is in Harvest Plaza off of Strickland Road, and the other is located in Stony Brook off of Brentwood Road (no drop-offs at this store). Sales from both stores help fund the programs that equip local families and individuals in crisis with the resources and skills they need to achieve stability. Annually, the stores divert over 500,000 pounds of goods from landfills while providing low-cost goods to the community.

#### Food Pantry & Backpack Buddies

Stocked by partner organizations and through donations and food drives from local churches like ours, the food pantry is able to directly and immediately serve those in need in our community. As food prices are rising, NRM's Food Pantry is helping to keep families in our community fed. In 2020 they gave more than 630,000 pounds of food – which equates to a bit over \$1,000,000 in food. This year they anticipate that number more than doubling. They also run a Backpack Buddies program as part of their food pantry that provides food for kids, especially on the weekends when they are unable to take advantage of free lunches at school and has been identified as one of the largest areas of need in our community.

# NORTH RALEIGH MINISTRIES

#### The Journey Program

This twelve-week program is one that really encompasses this idea of wholistically helping meet the needs of people in our community. Their clients often come to them in crisis, and this program helps give them hope for a different future. Through this program clients can sit down one-on-one with a case manager and/or social worker. They provide coaching, a financial education program, and job training to help get people to a place of stability.

#### Guidance and Prayer Program

Anyone who walks through the doors of NRM can begin having weekly check-ins and prayer with the case workers and staff at NRM. They have found that such a simple thing can make a huge difference in the lives of those they interact with.

Keep an eye out for other ways that we will be partnering with NRM to support the amazing work that they do in the coming months. If you are interested in learning more about NRM or want to help with their ministry to our local community, you can visit their website at [northraleighministries.com](http://northraleighministries.com) or talk to Kai. [Kai@st-philip.org](mailto:Kai@st-philip.org)

## **THANKSGIVING MEALS AND HOLIDAY SMILES!**

Our Fall Campaign also includes the Annual FT Thanksgiving Meals Drive and Holiday Smiles gift drive. During Holiday Smiles, we collect wish lists from children in our program and match them with sponsors who alleviate the stress on parents by shopping for Christmas gifts for their children and put a big smile on the face of each kid in the process! If you are interested in being a sponsor for Holiday Smiles or in donating food for the Thanksgiving Drive, please email Sara Karbley, our Volunteer and Outreach Coordinator at [Sara@FamiliesTogetherNC.org](mailto:Sara@FamiliesTogetherNC.org).

## **Volunteer Opportunities**

Interested in doing what you can to help local families? Please look below and let us know if you'd like to learn more or sign up to help with any of these projects that need volunteer support:

Staining exterior stairwells and decks

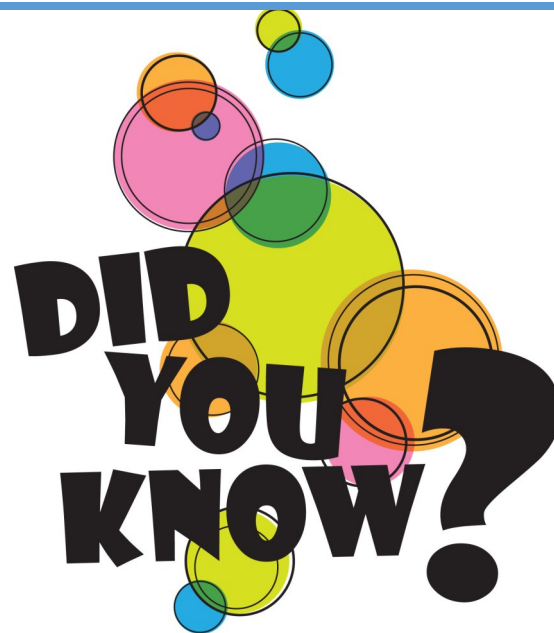

Cleaning up and landscaping yards

Cleaning apartments during the turnover from one family to the next

Painting FT apartment units

Building/repairing garden container beds

Please email Sara Karbley, the Volunteer and Outreach Coordinator at [Sara@FamiliesTogetherNC.org](mailto:Sara@FamiliesTogetherNC.org) for more information!

# Celebrate Property Work Day!!

## Message from Stewardship

Over the last six weeks, you have heard a lot from the Stewardship Committee as we kicked off and ran through the 2022 Stewardship Campaign, "What can I BEE doing?". This year we focused on one of God's most wonderful creations, the bee! By utilizing the bee and the beehive as metaphors, we can see and understand how our selfless work is supporting our mission statement, Sharing the Love of Christ, throughout our congregation and our community. Some of you may be asking yourself, what is stewardship and how does it relate to me?

As a Lutheran Congregation, we are all freed in Christ to serve and love thy neighbor. Considering our mission statement, how does one respond to God's call to serve and Share the Love of Christ? Much like the bee, we are faithful stewards, and share the gifts of God so abundantly given to us. The bee's selfless work is shared with all in the hive. Additionally, as they go about their work, they pollinate countless plants, which in turn produce food and flowers. Without their selfless work, the hive and the community would not survive. As stewards, it is our job to manage all of life and life's resources for God's purposes. Much like the bees, we go forth sharing the love of Christ one selfless act at a time

We can all become better stewards through a simple process. The steps in this process are self-examination, tithing, personal witness, and carrying out the mission of St. Philip. Self-examination purposefully allows us to look within ourselves to identify what our talents are, where we can best utilize our time, and how we can share our financial resources. Tithing can be an uncomfortable topic; however, first fruit is explained in Leviticus 23:9-14 as the act of giving the first 10 percent of the harvest to God.

Through personal witness we can lift up each other in all that we do to Share the Love of Christ. The Stewardship Committee helped share personal witnesses through both testimonials and the "Bee Form."

The last piece of being a good steward is carrying out the St. Philip mission statement, Sharing the Love of Christ. All the bees hung in the Narthex and in the hallway outside the Crossing service represent the selfless work being done by our congregation. Each Bee is a prayer for all of the ways we all share the love of Christ, we continue to remember them in prayer.

Throughout our Stewardship Campaign this year, we hope we have lifted up all the good work being done by our congregation. In October, we sent you an Estimate of Giving Card for 2023. If you have not already done so, please take time to self-examine and determine how you can best Share the Love of Christ. Please consider what you might be able to pledge financially to support the ongoing ministry here at St. Philip. Moreover, please look for ways to leverage your time and your talents here at St. Philip and in our community. Finally, look for opportunities to be a personal witness and share with others how you serve and love thy neighbor. Hopefully through this process you will discover even more ways to Share the Love of Christ!

## Trunk or Treat!

Another year of a fun Halloween treat was had by our community! Estimates of around 300 people have been reported to have traveled through our Trunk or Treat parking lot! Thank you to all who made this possible, donating candy, setting up your trunks, mingling and welcoming! What a fun way to share the love of Christ!

# Message from Finance Committee

Dear Brothers and Sisters in Christ,

As we enter the last few months of 2022, it is appropriate to take stock of where we are compared to our financial plan or budget.

In September, monthly income dropped off a bit after the improvement seen in August. Total income was \$37,754 for the month, or \$11,704 under plan, while expenses were \$43,477, or \$1,928 under plan. On a year-to-date basis, total income was \$396,586, or \$36,284 under plan, while expenses were \$388,319 or \$42,340 under plan. Income exceeded expenses by \$8,267, but remember that budgeted reserves are not expensed until the end of each year.

In order for us to meet our income plan for the year and to be able to fund important budgeted reserves, it will be necessary for our giving to increase meaningfully in the last three months of the year. Your Finance team asks that you prayerfully consider how you might be able to help our congregation meet or exceed its budgeted income by year end. We are in good financial stead based on our giving the last few years and we certainly want to maintain and grow our important ministries!

Blessings,  
Jim Beck, Finance Chair
