March 2023

Pastor's Message

What a magnificent month we have ahead of us! Holy Week is upon us, as we remember and commemorate – and to some extent reenact -- the events of Jesus' last week of life in the holy city of Jerusalem. On Palm Sunday, he enters the city amidst joy and jubilant crowds and adulation. On Maundy Thursday, he will celebrate his Last Supper, wash his disciples' feet, pray in Gethsemane's garden, and be arrested. On Good Friday, he will be tortured and put to death on a cross. On Saturday, he will lie in his tomb, undisturbed. And on Easter Sunday, he will rise from the grave, conquering sin and death and reconciling us back to God. It is a week of wild and diverse emotions. I invite you to join all of our worship services this week in order to "walk with Jesus" through suffering, death, and ultimately, victory and joy. We have Crossing worship at 9am Palm Sunday, followed by Traditional worship at 11am. Maundy Thursday, we worship at 12 noon and 7pm. Good Friday, we also worship at 12 noon and 7pm. And on Easter Sunday, we worship at 9am for Crossing and 11am for Traditional. We are soon to exclaim, "He is risen! He is risen indeed! Alleluia!"

We also celebrate our 60th anniversary as a congregation this month! St. Philip was founded on Palm Sunday (April 7), 1963 by Pastor Robert J. Kepley, his wife Susan, and our charter members.

Our first joyful celebration will occur at the end of the month. We will have a "Founders' Dinner" on Sat., Apr. 29, from 5 to 7pm in Luther Hall. We will recognize and honor not only our charter members but also all of our founding members during our first decade of existence. We owe these people a debt of gratitude we could never fully repay for pioneering the path of community faith and discipleship. Please congratulate and thank these folks when you see them.

We will have a fifth Sunday "United" worship service at 10 am the following day, Sun., Apr. 30. We will not only continue to celebrate our founding members but also welcome our newest class of members! We anticipate welcoming between three and eight new members. We will have a brief reception following worship to celebrate both groups.

On that note, if you or anyone you know would be interested in attending our New Members' Class, it will be held here at church in the Music Room on Sat., Apr. 22, from 10am until noon. We will introduce ourselves and learn more about each other over refreshments and then get a tour of our facilities and learn about the ministry opportunities here at St. Philip.

In the joy of Christ's resurrection,
Pastor Tim

Faith Kits

Introducing “Faith Kits” on Sunday, 4/16

What are Faith Kits and
Why are we using Faith Kits?

As you know, we moved away from Sunday School as the main way that we encourage Faith Formation for our young people and their families here at St. Philip a while ago. We are excited to introduce Faith Kits as one of the new methods of encouraging and equipping our children, youth, and families to engage in the lifelong process of faith formation from the comfort of their own homes and with the flexibility to engage in intentional faith formation around busy schedules.

Who can get a Faith Kit?

As we are starting off this ongoing project, we are starting with making these Faith Kits available to all of our families with children/youth from age-2 to 12th-grade. Faith Kits are available for pick up at the church office.

Thank You For Trying Something New With Us!

Study after study has shown that if faith is not practiced and reinforced in the home, that the lessons of our faith are not retained into adulthood. We are looking forward to this new approach to faith formation and are excited to strengthen the relationship between the church and the home for the sake of faith formation in our children and youth! We know that this makes a bit more work for you at home, but our hope is to reduce that amount of work for you so that you can engage in meaningful faith conversations with your children and youth at home, in the car, or on the sidelines of a sporting event.

Our First Faith Kit: Building Faith

This particular Faith Kit provides materials and simple activities for children/youth/families to engage in faith formation using LEGO bricks, so it's called “Building Faith.” This Faith Kit has 8 week's worth of material in them that families can engage with at any time. At the conclusion of this 8 week journey, we will have a new faith kit available for another set of 4-8 weeks in length! Our hope is to equip our families to grow in their faith year-round with one faith kit after another!

April 22, 2023 10:00 am— 12:00 pm

Why bother with formally uniting with a church?

Being part of a faith community can be described as our opportunity to grasp hold of each other in responsibility and love.

In uniting with church you:

Make visible your commitment to Christ and his people.

Enter into a relationship of mutual accountability. When we join a church we offer ourselves to one another to be challenged, encouraged, loved, and strengthened.

Make promises to practice the spiritual disciplines of daily prayer, active service, weekly worship, regular Bible study, ongoing fellowship, and generous giving within and through a particular community of faith.

Learning about St. Philip

If you would like to learn more about St. Philip membership, come join this class! There is no obligation to join, however, this class is designed to help start the journey to being active in the ministries of St. Philip.

Becoming part of a faith community like St Philip is a big step but you do not take this step alone. The Holy Spirit has brought you to this place and we look forward to the ministry that we can do together.

To help us plan for materials and supplies for this class, please sign up [Click Here](#) or call the church office.

We saw families go from struggling to provide food for their children to being able to meet their basic needs, save money, & even give back to others in need.

Your investment in our work provided them food & the opportunity to achieve a future they have always longed for.

As we look ahead to 2023, we expect to serve even more families who are experiencing a hardship most of us will never see. And because of you, we will be here for them when they need us most.

Message from Church Council

On Saturday, February 25th, the Church Council gathered for a one day retreat. The main focus of our gathering was to discern an operating vision for St Philip to carry us forward. We have emerged steady, solid and growing from the pandemic. From our discussions these are the tasks that we will address first.

Constitution – It has been 10 years since our constitution was last updated. There have been several changes to the ELCA Model Constitution and it is time that we bring our constitution into alignment. The body of the constitution will incorporate the required updates by the ELCA. Many of the discretionary sections will now be covered under the By Laws and Continuing Resolutions (Items covered here can be changed by the congregation or council). These items include our Council size, committee structure, congregational meetings, voting procedures, etc. Moving these sections out of the main constitution provides for easier and quicker updating of our ministry structure as our ministry needs/focus change.

Later this year, when Council has completed the updates, a draft of the new Constitution along with By Laws and Continuing Resolutions will be sent out for review before a Congregational Meeting to approve the draft. After passage, the Constitution will be forwarded to the Synod for their review and approval.

Pillar Structure – The present Pillar Structure was implemented in 2018 to better address our expanding ministries. Simply put, our current ministries are more in number than fit or work well under the Standing Committee Structure. This is a great problem to have! A goal of Council is to establish a channel of communication through one or two council members in each Pillar. Ministries that have not come out of the pandemic as actively, are being rebuilt.

Committees/ministries are asked to please communicate (monthly, quarterly) with your Communication Liaison.

Membership Rolls – Our membership rolls have not been reviewed during the pandemic. We will begin a process to review our rolls and update per the ELCA guidelines. We are doing this in order to provide the Synod with an up to date Parochial Report. As always, no member will be removed until a case-by-case evaluation is made.

Your Sister in Christ,
Kathy Cunningham, Council President
