

The Epistle

September, 2023 St. Philip Lutheran Church

Pastor's Message

We have much to celebrate here at St. Philip as of late. We concluded our Big School Supply Drive, in which we received over 4,500 individual items to donate to children in need for this new school year, almost doubling our original goal of 2,400 items. On behalf of the hundreds of children you have helped, thank you so much for your generosity! Ed Helmeý just published the third and final volume of his biography, *Life As I Remember It*. What an achievement! Please congratulate Ed when you see him and feel free to purchase his books. From a quick perusal, they look like very compelling reads. Kurt Saenger-Heyl will be ordained as a minister of Word and Sacrament in the ELCA on Saturday, September 2, in New Haven, CT. He is called as the pastor of Trinity Lutheran Church in Centerbrook, CT. We rejoice with him and his family at this momentous occasion. Congratulations, Kurt!

Our average worship attendance greatly increased throughout the summer, which is practically unheard of for most churches. We averaged 121 people in June, 138 in July, and 142 in August. We praise God for this increase, which is in part due to an influx of visitors. Almost all of them remark to me in the receiving line after worship how warm, welcoming, and hospitable they have found our community to be. So, thank you for taking your worship life seriously and welcoming others into the presence of the Lord here in this place.

We are so excited to announce that Regan Wang has accepted the offer to be our new, full-time Director of Worship and Music Ministries!

Welcome, Regan! She has worked for us part-time in our Traditional service for a few years and has now accepted this full-time position with responsibilities for both Crossing and Traditional services. She has been and will continue to be a great blessing and asset to our congregation.

Looking forward, we wish to continue and capitalize on our recent momentum in a few ways. The first is our upcoming "God's Work/Our Hands Sunday," on September 10. We will have ONE United worship service that day at 10 am, followed by a light lunch in Luther Hall, and various service projects to take us through the early afternoon. This is always a day of worship, fun, fellowship, and service, so please plan on coming out and participating. Please see Kai Thurow for more details. The second thing to mention is that we encourage you all to buy one or two non-perishable food items when you go to the grocery store, as we are beginning to prepare once again to assist North Raleigh Ministries (NRM) in their upcoming fall food drive. We were so generous last year, and we want to build off that. Please also see Kai if you have more questions.

And, finally, weekly Bible Study resumes on Wednesday, September 13, at 10:30 am and 6:45 pm, in the Music Room. The topic this year is "The Basics of the Christian Faith." How much do we really know and understand about our faith? We are going to delve deeply into God's Word as we study together such topics as the 10 Commandments, the eight Beatitudes, The Lord's Prayer, prayer more generally and broadly, Creeds of belief (e.g., the Apostles' and Nicene), Baptism, Holy Communion, the organization of Scripture, Christian theology and history, worship, the Great Commandment,

Continued...

the Great Commission, the Holy Spirit, faith, tithing/stewardship, preaching, sabbath, healing, justice, transformation, and music. In fact, this may be a two-year study!

We are growing in numbers, service, commitment, and outreach here. I want to make sure we also grow in wisdom, understanding, knowledge, and discipleship. This year's weekly Bible Study will be a fantastic arena in which to do just that. I think you will find this study compelling and even fascinating. Please prayerfully consider attending Bible Study this year, especially if you haven't in years past. It will be an enriching journey.

Yours in Christ,
Pastor Tim

Help Update St. Philip's 60th year Picture Directory!

We plan on publishing the new St. Philip Directory in time for the First Sunday of Advent.

It isn't too late to submit your pictures!

All you need to do is submit a picture of yourselves to the church office, (a selfie?!). By doing it this way – you can take several photos and choose the one to submit! Family pictures are the best as the directory is set by a shared picture such as husband and wife, family group, and individuals. Keep in mind that the photos will be cropped in order to see faces clearly, so try to not send panoramic – scenic photos.

We can also help those who would rather come to church to have your photo taken!

Questions? Suggestions? Contact Jane in the office at admin@st-philip.org

A Welcoming Presence

A few Sundays ago, I noticed a couple sitting in the pew in front of me, who I was pretty sure were visitors and Pastor Tim had just asked them their names. I felt like someone other than just our Pastor should welcome them, so I leaned forward, extended my hand and said, "Welcome to Saint Philip!" They both smiled and said "Thank you!" We began to talk a bit and I discovered they were new to Raleigh and visiting all the Lutheran churches in the area.

It was very easy. The conversation just flowed from there. Before we stopped our conversation, she said "You are a welcoming presence here. My former Pastor used to call me that at our last church!" She made me feel so good that I had reached out to them. You see it works both ways when we welcome others!

We used to welcome each other to worship much more before COVID - this is something we want to get back to doing. I have been asked by Pastor Tim to get our Greeter program started again for the 11:00 service. It is an easy and effective way to Share the Love of Christ, our main mission.

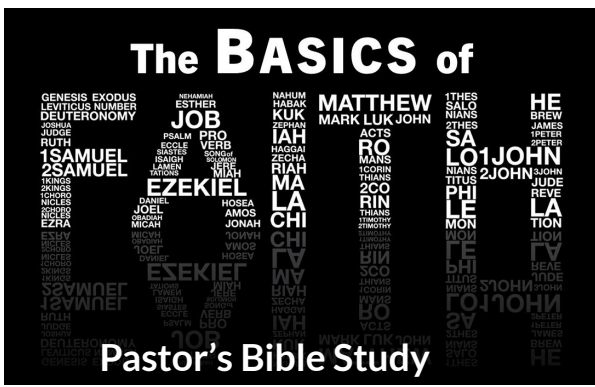

I would be happy to discuss the expectations with you if you feel so called. Also, we will have a sign-up genius on our website to organize and build a rotating schedule. Thank you so much for prayerfully considering this simple, but very important way to reach out to our fellow members and our visitors.

~ Barbara Sullivan 919-271-3283.

Welcome him as you would welcome me.

Faith Kits

Current Faith Kits": Building Faith

This particular Faith Kit provides materials and simple activities for children/youth/families to engage in faith formation using LEGO bricks, so it's called "Building Faith." This Faith Kit has 8 week's worth of material in them that families can engage with at any time.

At the conclusion of this 8 week journey, we will have a new faith kit available for another set of 4-8 weeks in length! Our hope is to equip our families to grow in their faith year-round with one faith kit after another!

Faith Kits are designed for families with children and youth to engage in faith conversations at home. Each Faith Kit has all the supplies and instructions needed for a quick 5-10 exploration of a faith concept. Each kit runs for 4-8 weeks, and we'll get you a new one when the current one is done.

Pick yours up today in the office hallway!

St. Philip Coat Collection

St. Philip’s Brown Bag Ministries (BBM) has partnered with Refugee Hope Partners (RHP) to help collect coats for the refugee community at Cedar Point and in Wake County.

We begin our Coat Collection on September 10 and will collect coats until November 10. On November 11, we plan to send a group of volunteers to help with RHP’s Coat Sale. This sale is an opportunity for those who need coats for the colder weather this coming winter to get quality coats for just a few dollars.

Please prayerfully consider if you are able to donate any new or gently used coats of any size. You can drop them in the Green Bins found in the office hallway, in Luther Hall, or in the Narthex.

Additionally, if you are interested in volunteering to help make the Coat Sale on November 11 a success, please follow the [Sign-Up Genius link HERE](#) or email Kai@st-philip.org

Message from Regan Wang, Director of Worship & Music Ministries

Consider exploring your musical gifts!

Hello!

Are you looking for ways to join the music ministry here at St. Philip? We have three main groups - The Voices of Praise Choir, The Bells of St. Philip Handbell Choir, and the Crossing Praise Band.

Here is more information about each of these listed below:

Voices of Praise - a traditional vocal choir open to any and all singers, no matter your experience or music-reading ability. Our first rehearsal will be Thursday, September 7th at 7pm in the sanctuary.

Handbell Choir - St. Philip is fortunate to have a 3-octave set of bells and chimes. This choir is open to anyone regardless of experience or music-reading ability, although basic knowledge of rhythm reading is a plus! Our first rehearsal will be Sunday, September 10th at 5pm in the sanctuary.

Crossing Praise Band - each Sunday the Crossing Praise Band leads the contemporary Crossing service in Kepley Hall. Any instrumentalists or singers are welcome! As of now, the Crossing Praise Band meets on Sunday mornings at 8am in Kepley Hall before service.

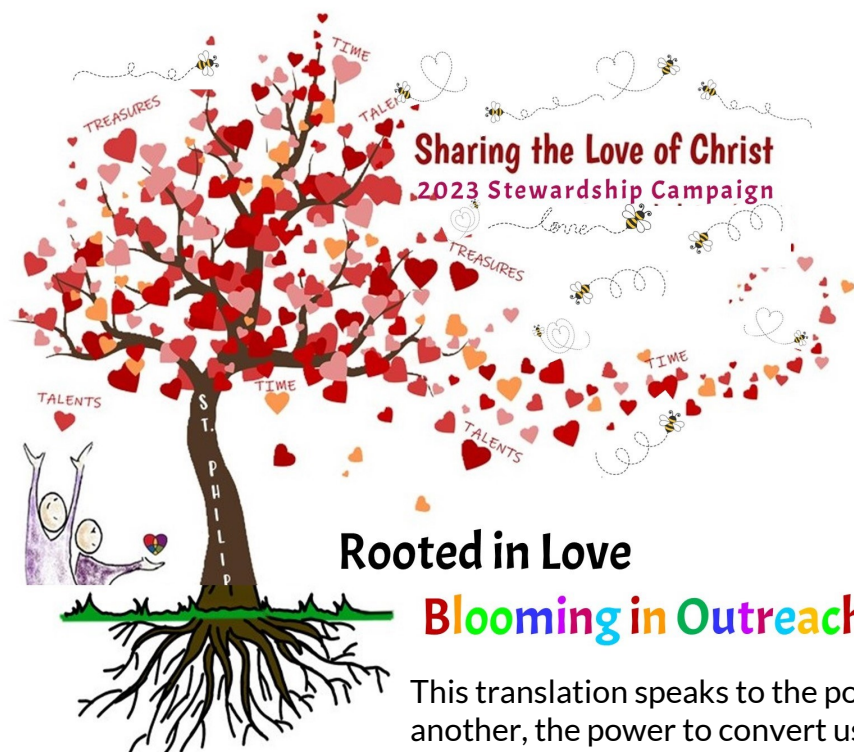

If you have any questions, please reach out to [Regan Wang](#) or [Jane](#).

We hope to see you there!

No age limit! No experience necessary!

Only...a heart willing to serve through God's incredible gift of Music

Our 2023 Stewardship theme is Rooted in Love... Blooming in Outreach

They are like trees planted by streams of water, which yield their fruit in the season. *Psalm 1:3*

“Rooted in Love” draws inspiration from Psalm 1. The Psalms invite us to imagine all the good things we can bear when well planted. What might we give away when we are rooted in love?

But the Psalms also meant something deeper. The word we translate as “planted” in English means “transplanted” in Hebrew.

This translation speaks to the power of love to move us from one place to another, the power to convert us from one way of life to another.

What would need to change in our lives for us to be fully rooted in love?

We might need to make a move from a *mindset of scarcity* to a *mindset of abundance*. A scarcity mindset makes us think there will never be enough. But a mindset of abundance sees the fullness of God's love. God's spirit moves through history creating and renewing community.

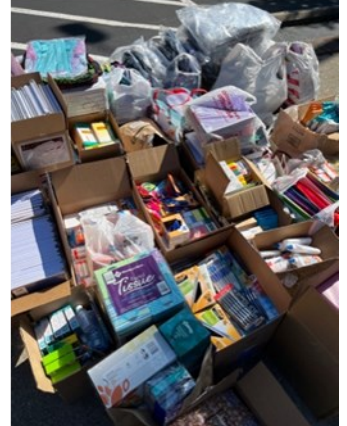

We are not animals passing from stream to stream. We are the tree, fixed in the riverside. Our roots running deep and wide, nourished by the waters and nutrients of God's mercy and love.

Outreach Updates

St. Philip is committed to addressing the needs of our community. The two greatest and growing needs in North Raleigh and Wake County right now are 1) Growing Food Insecurity, and 2) Growing Home Insecurity. As a faith family striving to share the love of Christ, we have partnered with three local non-profits who are doing amazing front-line work helping to address these growing needs in our community. St. Philip Supporting Families Together

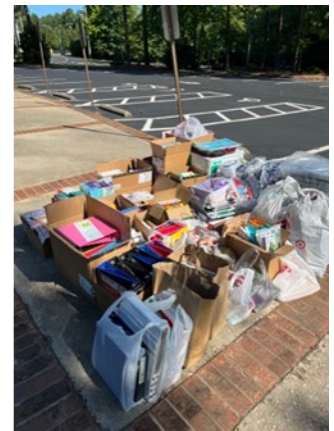

Successful School Supply Drive! Thank you!

For the month of July, we collected school supplies to help benefit children in our community that are served by our three major ministry partners, Families Together + Brown Bag Ministries/Refugee Hope Partners + North Raleigh Ministries. Each organization had a list of items that they needed us to get totaling 2,460 total items. We met each item collection goal and surpassed many of them. In total we donated 4,660 school items!

Each organization was incredibly grateful to receive the items we collected. In total our collections went to help an estimated 140+ children in our community!

WOW!

St. Philip Fall Food Drive for North Raleigh Ministries starts in October

Last October our St. Philip Pub Ministry spearheaded a Food Drive that benefited the Food Bank at North Raleigh Ministries (NRM), and we're going to do it again! Last year we had a tremendous response from the congregation that helped keep folks from being hungry in our community.

October is one of the months of the greatest need for food pantries across the country as many food collection drives happen in November and December to coincide with major upcoming holidays. This leaves the month of October as one of the hardest months to keep shelves stocked.

The NRM Food Bank servers around 750 people every month, and they expect that number to continue to grow as food Insecurity in our area continues to rise. Together, we can help make sure that no one goes hungry by bringing in non-perishable food items from the list below or by making a monetary donation to St. Philip with the memo line = NRM Food Drive.

Food Needs:

- ◇ Canned meat
- ◇ Breakfast Cereal*
- ◇ Jelly
- ◇ Peanut Butter
- ◇ Rice *
- ◇ Potatoes (canned or boxed)*
- ◇ Canned Fruit*
- ◇ Pasta
- ◇ Spaghetti Sauce
- ◇ Canned Vegetables
- ◇ Soup
- ◇ Mac-N-Cheese
- ◇ Stew
- ◇ Baked Beans
- ◇ Cake & Brownie Mixes
- ◇ Pudding Mix
- ◇ Jello

Hygiene Needs:

- ◇ Paper Towels*
 - ◇ Baby Wipes
 - ◇ Laundry Detergent
- * - Most urgent needs

We would love to challenge you to begin grabbing one or more items for this food drive every time you shop for groceries so that we can start this food drive off with a bang!

Ministry Partner Update: Families Together

Our partner ministry at Families Together is doing amazing things! Here's a quick update:

As the need for both affordable housing and emergency housing for families continues to rise in Wake County, Families Together has been expanding their support to those in need. St. Philip is committed to walking alongside Families Together in their mission to make sure that every child has a home.

Recently, some big things have been happening!

- ★ A new Bridge Housing Triplex Apartment complex is being renovated right now with families expected to be able to move in in November.
- ★ Families Together has been able to triple their family shelter capacity to help meet the growing need.
- ★ An HVAC unit at one of their Emergency Shelters was repaired after it unexpectedly quit working. Because of donations from supporters (including many from St. Philip) they were able to raise the necessary funds to quickly get these units replaced so families could live comfortably during our recent heat wave.

Did you know?

“Bridge Housing” is often for families living in motels and referred by the school system. Families live for 3-18 months in units owned or leased by FT and work toward housing goals while paying a modest program fee that allows them to save money and “graduate” to permanent housing.

To learn more about how you can become involved with Families Together or if you want more information, please contact Kai@st-philip.org

Ministry Partner Update: North Raleigh Ministries

Our partner ministry at North Raleigh Ministries is doing a lot of incredible work in our community! Here's a quick update from them.

- Through their Guidance & Prayer program have served over 700 individuals in our community.
- The NRM Food Pantry has served over 5,000 adults and children. They predict that they will help over 10,000 people this year as food insecurity continues to rise in our community. We have information about our upcoming food drive in October to help them continue to meet this growing need.
- This summer, a group of 12 families spent three months going through NRM's Journey Program to help them take steps to a more stable life.

To learn more about how you can become involved with North Raleigh Ministries or if you want more information, please contact Kai@st-philip.org

Message from Regan Wang—

Director of Worship & Music Ministries

Hello everyone! My name is Regan Wang. I am a native of Detroit, Michigan with a Bachelor's in Instrumental Music Education from the University of Michigan. I've been the accompanist at St. Philip since 2018. I am also part of the piano staff at Meredith College, and the co-conductor of the Really Terrible Orchestra of the Triangle.

When I was four, my mother began to teach me piano lessons, and I never stopped playing! I also grew up attending an ELCA Lutheran church where my mother was the music director. Because of this, I was able to sing in church choirs, play with the handbell choir, and perform special music in my church throughout my childhood.

When I was in high school, the organist at my church retired and everyone turned to me to take over ("piano and organ are pretty much the same, right?"). I ended up loving the organ and continued to play and study throughout college and beyond.

One of the first things I did when I moved to Raleigh was begin searching for a Lutheran church to serve. I am so fortunate to have found such a warm, welcoming congregation at St. Philip. My husband, Kelun, and my son, Niko, have also settled into the St. Philip family. I'm looking forward to taking on this new challenge within the church and creating amazing music with you all!

Message from Finance Committee

Dear Brothers and Sisters in Christ,

I am pleased to report on behalf of the Finance Committee that following our strong results in June, we did even better in July.

For the month, total income was \$71,079 or \$23,640 over plan, and expenses were \$47,277, or \$2,611 under plan. On a year-to-date basis, total income was \$363,717, or \$27,591 over plan, and expenses were \$314,650, or \$28,009 under plan. Income has exceeded expenses by \$49,067, although expenses do not include budgeted reserves which are accounted for at year-end.

It is so rewarding to see the inspired financial stewardship that is taking place in our church. The Holy Spirit is leading our brothers and sisters to give generously to the mission and ministries at St. Philip!

Blessings,
